Course Description

The advanced French I course exposes learners to extend their practice of French toward a more complex and subtle use. In this course, learners will be aware of transversal notions of French grammar as the notions of anteriority, posteriority and simultaneity. The course reviews alternation of tense and covers expressions of subjectivity as well as reported speeches, linking words and expression of opinion.

Learning Objectives

By completing this course, students will:

- Handle familiar and less familiar social interactions
- Participate with ease and confidence in conversations on familiar and new concrete, social, academic and work-related topics
- Comprehend and produce a large range of vocabulary related to school, work and personal subjects
- Comprehend the main idea and supporting details of narrative and descriptive texts
- Use knowledge of cultural differences between own and target cultures

Course Prerequisites

4 college semesters of French or equivalent

Methods of Instruction

Instruction will be supported by a mix of authentic and secondary materials, including films, ads, songs, daily documents and student's feedback on language use in Toulouse. The course will rely on interactions and role plays as well as outdoor activities such as cooking workshop or interviewing peoples on specific subjects.

Class Presentation 2

Oral presentations based on a subject chosen by the student --> news event, book or comic, film, etc.

- Synthetic description
- Context
- Personal response to support or media

The student writes the presentation beforehand, the teacher corrects it and give it back so that the student can work on their presentation skills (no memorization) --> 5-minute-long presentation.

Class Participation

Regular participation during the class, attendance and punctuality are essential.

Attendance Policy

Regular class attendance is **required throughout the program**. Students must notify Center Director and instructor beforehand if they will miss class for any reason. Students are responsible for any materials covered in class in their absence. Students who miss class for medical reasons must inform the instructor and the Center Director and provide appropriate documentation. An absence in a CIEE course will only be considered excused if:

- a doctor's note is provided
- a CIEE staff member verifies that the student was too ill to attend class
- evidence is provided of a family emergency

Attendance policies also apply to any required co-curricular class excursion or event. Students who miss class for personal travel will be marked as absent and unexcused. No make-up or re-sit opportunity will be provided.

Persistent absenteeism (students exceeding 10% of total course hours missed, or violations of the attendance policies in more than one class) will lead to a written warning from the Center Director, notification to the student's home school, and/or dismissal from the program in addition to reduction in class grade(s). Students with unexcused absences exceeding 20% of the total course hours will fail the course.

Late papers will be marked down 5% after the first day and 1% every day afterwards

Being late is disruptive to the entire class and will negatively affect a student's participation grade. Being 10 minutes late just once is still disruptive but can happen to all. Being late more than once, however, will have consequences for the student's participation grade. Students arriving more than ten minutes late to the class will be considered absent for the session.

Attendance

To encourage engaged learning, regular class attendance is required throughout the program. This includes any required co-curricular class excursion or event, as well as internship, service-learning, or other required field placement.

An excused absence in a CIEE course will only be considered if approved by a CIEE Center Director/Academic Director (not the Instructor), and:

- it is a self-certified absence for illness (only once per course, requires formal request before or within 24 hours, cannot miss assessment worth more than 5% of final course grade)
- a doctor's note from a local medical professional is provided
- evidence of a family emergency is provided
- it is a pre-approved observance of religious holiday

Unexcused absences include personal travel and/or travel delays, as well as missing more than 25% of a single class period (including tardiness and early departure). Assessments missed due to unexcused absences will be marked as zero. Students with over 10% unexcused absences will be contacted by CIEE staff. Students with over 20% unexcused absences will be contacted by CIEE staff, receive a formal warning letter (shared with their home institution) and lose 10% of the final course point total (e.g., a final A grade of 93% will be lowered to a B grade of 83%).

For more detail, please consult your CIEE Academic Manual.

Academic Integrity

Academic integrity is essential to a positive and inclusive teaching and learning environment. All students are expected to complete coursework responsibilities with fairness, respect, and honesty. Failure to do so by seeking unfair advantage over others or misrepresenting someone else's work as your own can result in grade penalties or disciplinary action. See the CIEE Student Academic Manual for further information on academic integrity.

N.B. Course schedule and co-curriculars are subject to change. The final duration and distribution of content and assignments will be determined and presented to students at the onset of the course.
